Manicure & Spa Pedicure

Regular Manicure.....	\$15
Deluxe Manicure.....	\$20
Classic Pedicure	\$30

This very popular treatment will not only leave your feet and legs feeling very refreshed & ready for all those long hours on your feet but also the massage chair will relieve muscle tension, reduce stress & improve circulation! Soak in a foot jet bath with mineral crystals, sea salts. A wonderful exfoliating scrub gently removes dry skin & prepares the feet for a rejuvenating professional exfoliation followed by a warm soothing lotion & towel. Includes a toe to knee massage & polish.

Deluxe Spa Pedicure.....	\$37
--------------------------	------

Added to the benefits of the Classic Pedicure, a cool mineral marine mask will aid in the healing of dry skin. Special attention will be focused on foot massage and the condition of feet and nails. A wonderful experience.

Royal Spa Pedicure	\$45
--------------------------	------

Added to the benefits of Deluxe Pedicure, the feet are thoroughly exfoliated, then massaged with hot basalt stones. Silky, warm lotion is massaged into the feet and calves for that finishing touch completed with a polish of your choice.

Men's Foot Treatment	\$30
----------------------------	------

This treatment will refresh those abused feet. A hot soak, nail clipping, buff, sloughing and intense massage with our own line of products.

\$5 Special Discount for any Combination of Pedicure with Manicure or with Fullset.

Facial & Skin Care

Classic Facial.....	\$55
---------------------	------

This one-hour treatment consists of a relaxing facial with steam vapor, gentle cleansing, massage, exfoliation and extractions. A toner and a moisturizer that leave your skin radiant follow a skin-specific mask application!

Acne Facial.....	\$60
------------------	------

A gentle customized facial that targets blemishes while improving the texture of your skin. It aids in clarifying your complexion and reducing redness. Your esthetician can help you with an at home routine.

Vitamin C Facial.....	\$60
-----------------------	------

This facial has all the benefits of our Classic with an added boost of Vitamin C. This healing vitamin helps to reduce inflammation and calm irritated skin. It is also beneficial in fighting signs of aging. Great for all skin types but especially helpful for rosacea or acne prone skin.

Microdermabrasion.....	\$70
------------------------	------

Microdermabrasion is a procedure that uses ultra-fine crystals to gently exfoliate the uppermost layers of the skin. It is an effective skin polishing technique that removes unwanted dead skin cells and also eliminates fine lines and wrinkles and regenerates your skin. You will love what this will do for you!

Massage Therapy

Deep Tissue Massage.....	\$55
--------------------------	------

Designed to relieve muscle tension, reduce stress, and improve circulation. Our massage is catered to your needs providing deep pressure to your aching muscles as well as relaxation massage techniques. This massage is personalized to your taste.

Half Hour Body Massage.....	\$35
-----------------------------	------

One Hour Body Massage	\$55
-----------------------------	------

One Hour Sports Massage.....	\$55
------------------------------	------

Focusing on specific muscles, this massage is used before your workout to loosen up tight muscles and prepare them for a strenuous workout, minimizing the chance of injury. After your workout it can be used to reduce lactic acid build-up and decrease recovery time. Perfect for any athlete.

One Hour Relaxation Massage.....	\$45
----------------------------------	------

This massage will leave you with a restful, relaxed feeling. Designed for those looking to escape their daily stress our therapists will use friction, kneading, and tapping motions along with long, relaxing strokes to calm your body. Also by improving circulation, and nerve conduction, this massage will boost your immune system and promote better health and well being overall.

Hot Stone Massage.....	\$65
------------------------	------

Hot stone massage is a new experience even for those who are used to getting a massage. By incorporating deep tissue, relaxation, Swedish, and other massage techniques, this is one of the most relaxing massage sessions you'll ever have. The hot basalt stones are evenly heated in water to the perfect temperature then placed on your back, arms, legs, anywhere you have any muscle pain or soreness.

Back and Neck Massage:	\$1 per minute
------------------------	----------------

Feel the tension melt away and relieve tight muscles in the neck, shoulder and upper back in a specially designed massage chair. Perfect for those who are short on time.

All prices subject to change without notice.
